International Symposium on Endoscopic Surgery in Infants and Children

**Symposium Agenda**

**Thursday, January 22, 2015**

1:00 PM - 7:00 PM Registration Open

2:00 PM - 4:30 PM Hands-On Course

4:30 PM - 4:45 PM Welcome

4:45 PM - 5:30 PM Creating a Children’s Hospital: Nuts to Bolts

5:30 PM - 7:00 PM Opening Reception

**Friday, January 23, 2015**

6:30 AM - 7:00 AM Breakfast

7:00 AM - 7:30 AM Update on Treatment of IBD

7:30 AM - 7:50 AM Hemorrhoidal Replacement

7:50 AM - 8:05 AM Exhibits and Break

8:05 AM - 8:15 AM Socio-Economic Aspects of Care

8:15 AM - 8:45 AM Mini Lap

8:45 AM - 4:00 PM Exhibits and Ski Break

**G/GERD**

4:30 PM - 4:50 PM Gastric Stimulators in Children

4:50 PM - 5:10 PM Gastric Repair, Surgical Techniques and Results

5:10 PM - 5:25 PM Exhibits and Break

5:25 PM - 5:45 PM Reactive Airway Disease & GERD – When Do You Operate

5:45 PM - 6:00 PM Treatment of Recurrent GERD & Hiatal Hernia

6:00 PM - 6:30 PM Management of Intractable GERD Panel Discussion

**Saturday, January 24, 2014**

6:30 AM - 7:00 AM Breakfast

**What’s New!**

7:00 AM - 7:20 AM Update on Telemedicine, Tele-Education and Telemonitoring

7:20 AM - 7:45 AM Update on Telemedicine, Tele-Education and Training

7:45 AM - 8:00 AM Exhibits and Break

8:00 AM - 8:20 AM Training and Models

8:20 AM - 9:00 AM Measuring Outcomes

9:00 AM - 9:30 AM Next Steps Panel Discussion

9:30 AM - 4:00 PM Exhibits and Ski Break

**Thoracic**

4:00 PM - 4:15 PM Thoracic Endoscopic Surgery: Nuts to Bolts

4:15 PM - 4:30 PM Update on Bracing for Carcinoma

4:30 PM - 4:45 PM Vascular Rings and PDA’s

---

**LEARNING OBJECTIVES**

- Provide data to allow the participant to analyze the benefits of Endoscopic Surgery
- Identify surgical techniques and treatment options for the participant to employ
- Identify simulation and model training tools that the participant can employ

---

**Participants**

- David L. Sigalet, MD, PhD
- Bethany J. Slater, MD
- Kristin E. Shipman, MD
- Steven S. Rothenberg, MD
- Todd A. Ponsky, MD

---

**Registration**

- Early Registration pricing through Dec 19
- Hands-on Workshop, Thursday: $175 (optional for meeting attendees)
- Symposium / Conference Registration
  - MD/Non-Physician: $350
  - Resident/Fellow: $250
  - Hospital Administration: $250

---

**Agenda**

- 8:00 AM - 8:20 AM Training and Models
- 8:20 AM - 9:00 AM Measuring Outcomes
- 9:00 AM - 9:30 AM Next Steps Panel Discussion
- 9:30 AM - 4:00 PM Exhibits and Ski Break

---

**Symposium Location**

- Rocky Mountain Hospital for Children, Denver, CO

---

**For lodging information and reservations, please contact the Sonnenalp directly.**

---

**Rocky Mountain Hospital for Children In-Person Training Day**

- 7:00 AM - 7:45 AM Endoscopic/Laparoscopic Training
- 7:45 AM - 8:00 AM Exhibits and Break
- 8:00 AM - 8:50 AM Single Site Surgery
- 8:50 AM - 9:30 AM Single Site Surgery & Balloon Expandable Stent
- 9:30 AM - 10:30 AM One Year’s Experience with Single Site Surgery

---

**Course Directors**

- Steven Rothenberg, MD
- Rocky Mountain Hospital for Children, Denver, CO
- David M. Harmon, MD, PhD
- Women and Children’s Hospital of Buffalo, Buffalo, NY
- David L. Sigalet, MD, PhD
- Sidra Medical and Research Center, Doha, Qatar
